

ELIZABETH FIRE PROTECTION DISTRICT  
FEE SCHEDULE  
EFFECTIVE JANUARY 2025

**ADMINISTRATION CHARGES**

**Public Record Fee**

Paper Copies (8.5 x 11, including fax or scanning)	\$.25/page
Digital Media	\$10/device
Research, retrieval, redaction, creation	\$41.37/hour
Postage/Shipping	Actual Cost
Over sized document's and maps	Actual Cost

**Medical or Mental Health Record Fee**

For requests for medical or mental health record fees that contain protected health information (as defined under HIPAA) of the individual seeking the records or by the individual's representative

Flat Rate for electronic copies or actual labor costs incurred by the District to produce the records, include: labor, supplies, postage, creation

\$6.50

The fee limitation set forth above shall not apply, and the District shall assess fees consistent with its Public Records Fee, if a third party that is not the subject of the protected health information requests the medical or mental health records on its own behalf and not at the direction of the individual to whom the protected health information applies. If the District receives a request to produce medical or mental health records in an electronic format, the District will provide paper copies of the files. It will charge the actual labor costs incurred by the District to produce the documents, as set forth above. The District will provide an estimate of the approximate fee that may be charged for a copy of the requested medical or mental health records.

Substantial record requests that require labor will be processed using a reasonable, cost-based fee, based on actual labor costs associated with producing the medical records, as permitted under HIPAA. The District will advise the individual of its estimated in advance of such disclosure.

**Returned Check** \$25

**Fees that are not paid by the required payment date may be assessed an additional charge of 10% of the amount billed**

## ELIZABETH FIRE PROTECTION DISTRICT FEE SCHEDULE EFFECTIVE 2025

### NUISANCE FIRE ALARM INSPECTION FEE

An Inspection Fee in the amount outlined in the following schedule shall be charged for all Nuisance Alarms transmitted after January 1, 2004. In determining what constitutes a Nuisance Alarm, alarms issued from the same system before January 1, 2004, shall not be counted. There is no limit on the amount of Nuisance Alarm fees that may be assessed in a calendar year or calendar quarter. Where a single system protects multiple buildings, the number of Nuisance Alarms caused by system malfunction can be counted separately for each building, if the location of the malfunction can be ascertained. Nuisance Alarms transmitted in the first 30 days after the Fire District accepts a new system for service shall not be included in the number of alarms.

#### **Definitions: For the purpose of this section, the following terms shall have the following meanings**

Nuisance Alarms- An alarm requiring a fire department response, where a fire department inspection reveals the alarm was caused by a system malfunction, by a user error, or by an undetermined cause.

System malfunction- An alarm which a fire department inspection reveals was caused by: (1) poor or improper maintenance; (2) improper installation of alarm equipment, hardware, or wiring; or, (3) an improper action of the alarm monitoring center or fire alarm installation/testing company.

Undetermined Cause- Any alarm for which a fire department inspection does not reveal the apparent cause.

User Error- The intentional or negligent act or omission of an agent, employee, contractor or representative of the owner, occupant or lessee.

Fee for each alarm		
Number of alarms		
	Alarms within a calendar year for a system serving: 1) Any apartment building; and 2) Commercial buildings: (a) <180,000 sqft (b) 5 or fewer tenants	Alarms within a calendar quarter for a system serving commercial buildings 1) 180,000 or > 2) More than 5 tenants
	1 \$0.00	\$0.00
	2 \$0.00	\$0.00
	3 \$0.00	\$200
	4 \$200	\$300
5 or more	Will have \$100 added to the last fee charged, and every Nuisance Alarm thereafter.	

**Rebate Eligibility:** The Fire District may rebate one-half of a Nuisance Alarm Inspection Fee if, within 30 days of the alarm, the owner, occupant or lessee submits to the Fire District written documentation acceptable to the Fire District, and which establishes that necessary repairs or corrections have been made to the system by a qualified agent.
